## SUMMARY

As a dedicated and motivated student pursuing Science, I am eager to leverage my academic background and skills in IT to contribute effectively in a dynamic and challenging work environment. I am committed to applying my strong analytical, problem-solving, and communication skills to real-world scenarios, and am enthusiastic about opportunities that will allow me to grow professionally and gain practical experience. My goal is to collaborate with a forward-thinking team where I can make a meaningful impact and continue to develop my expertise in aviation industry.

## EXPERIENCE

**(kathmandu)**

HOME TUTOR SERVICES

**(kathmandu)**

GUIDER,INSTRUCTOR,TEACHER

Feb, 2022 - Present

As a Home Tutor, I specialized in Mathematics, providing personalized instruction that simplified complex concepts through practical tips and engaging methods. I created tailored lesson plans, assisted with homework and test preparation, and fostered a positive learning environment, leading to improved student performance and confidence.

## EDUCATION

**Global College (kathmandu)**

Science

Jul, 2022 - May, 2024

Completed Plus 2 Science with a focus on Physics, Chemistry, Mathematics, and Computer Science at Global College. This comprehensive program provided me with a solid foundation in scientific principles and analytical skills, along with practical experience in computer science. My studies equipped me with critical thinking abilities and problem-solving skills, preparing me for further academic pursuits and professional opportunities.

## PROJECTS

**Personal Portfolio**

I have made my personal portfolio website where you get to know more about me.
